

Publication Errata

Invariably, errors creep into reports. This page lists, sorted by page number, the found inconsistencies that made it into *Career Clusters*. We are sorry for any inconvenience that these may have caused and they should be corrected in the next printing of the manuscript.

Page Number: 35

Errata: *Table 20 is a repeat of table 19.*

Correction: The correct table is:

Table 20. College-level workers in many Information Technology jobs earn wages well above the MET.		
Yearly wage, 2007-2009		
(\$)		
	Bachelor's degree	Master's degree or better
Computer and information systems managers	97,700	113,700
